ReENE ENERGY Corporation

Company name change and New Corporate Website Launch

As of April 1, 2026, Renewable Japan Co.,Ltd. has changed its corporate name to ReENE ENERGY Corporation (Headquarters: Mitato-ku, Tokyo; President: Takashi Ikeuchi; “the Company” below) and is now a wholly owned subsidiary of Tokyu Fudosan Holdings Group, as part of the organizational restructuring of the renewable energy business within Tokyu Fudosan Holdings Group. In addition, we have fully renewed our corporate website.

■ Company name change

New company name: ReENE ENERGY Corporation

Former company name: Renewable Japan Co.,Ltd.

Effective date: April 1, 2026

New logo:

■ New Corporate Website

The corporate website has also been redesigned in connection with the company name change, featuring a new look based on our new logo and their corporate colors.

As a leading company in the renewable energy business, we will continue to pursue further growth and contribute to the realization of a sustainable society.
